

Sleek and powerful

Rugged, space-saving All-in-One desktops that drive productivity

Powerful and convenient, the sleek ThinkCentre® M-series M900z, M800z and M700z All-in-One family are more ruggedly durable than ever, tested to MIL-SPEC for reliability even in the most challenging environments, whilst more than 30% thinner than the last generation. Power comes from the latest Intel® processor, improved memory and enhanced WiFi capabilities. Designed for convenience and productivity, the optional touch solution includes an industry first DisplayPort™¹ in and out combo port¹, to easily switch between extended displays, an integrated handle for easy mobility and brilliant display with wide viewing angle.

WHY YOU SHOULD BUY THE LENOVO™ THINKCENTRE® ALL-IN-ONE

Rugged and reliable

Tested to MIL-SPEC, these powerful All-in-One desktops are ready to handle even mission critical tasks or activities.

Sophisticated design
