

## Sleek and powerful

Rugged, space-saving All-in-One desktops that drive productivity

Powerful and convenient, the sleek ThinkCentre® M-series M900z, M800z and M700z All-in-One family are more ruggedly durable than ever, tested to MIL-SPEC for reliability even in the most challenging environments, whilst more than 30% thinner than the last generation. Power comes from the latest Intel® processor, improved memory and enhanced WiFi capabilities. Designed for convenience and productivity, the optional touch solution includes an industry first DisplayPort™<sup>1</sup> in and out combo port<sup>1</sup>, to easily switch between extended displays, an integrated handle for easy mobility and brilliant display with wide viewing angle.

### WHY YOU SHOULD BUY THE LENOVO™ THINKCENTRE® ALL-IN-ONE

#### Rugged and reliable

Tested to MIL-SPEC, these powerful All-in-One desktops are ready to handle even mission critical tasks or activities.

#### Sophisticated design

The space-efficient and over 30% thinner All-in-One desktops offer integrated handle, easy access physical buttons, wide viewing angle with Anti-Glare technology and refined transformer stand for extra versatility.

#### Versatile connectivity

Enhanced WiFi and an industry first DisplayPort™<sup>1</sup> combo port<sup>1</sup> with single combined port for both DisplayPort™ in and out meaning you can easily switch between laptop or extended monitor.

#### Primed for performance

The latest Intel® Skylake processor with vPro™ and DDR4 technology delivers powerful enterprise-level performance<sup>1</sup>.

### THE LENOVO™ THINKCENTRE® ALL-IN-ONE IS BEST SUITED FOR

**1** | Businesses that require powerful enterprise-level performance and manageability in a space-saving solution.

**2** | Businesses that want an All-in-One solution with features to drive productivity.

**3** | Businesses that need a durable All-in-One to perform in the most challenging environments.

### WHAT'S IN A THINKCENTRE®
